EXCLUSIVE FEATURES	BENEFITS	ADVANTAGES
Equisuede	Microfibre based, equisuede is extremely comfortable to ride in and its surface is much softer than leather or equileather seats.	<ul style="list-style-type: none"> <li>• Superior comfort.</li> </ul>
Perfect Level of Grip	Equisuede does not get slippery when wet and helps to lock the rider into their desired riding position.	<ul style="list-style-type: none"> <li>• Provides a grippy seat.</li> </ul>
Shock Absorbing	Equisuede combined with other synthetic materials acts as a shock absorber protecting the horse and rider	<ul style="list-style-type: none"> <li>• Better for the rider and the horse's back.</li> </ul>
Weatherproof	Equisuede is not damaged by wet weather but it dries out quickly preventing deterioration of the saddle.	<ul style="list-style-type: none"> <li>• Can ride in all weather conditions.</li> </ul>
Adjustable Flexibloc System	Enables the rider to individually tailor their thigh and knee support.	<ul style="list-style-type: none"> <li>• Provides comfort and a more secure position for the rider.</li> </ul>
Contoured Knee Insert	Provides comfort and support in addition to the flexibloc system.	<ul style="list-style-type: none"> <li>• Assists in maintaining the correct leg position.</li> </ul>
Super-Enduro Seat Foam	Super enduro seat foam retains its resilience and won't ride down, flatten or harden like some other seat foams or light weight gels.	<ul style="list-style-type: none"> <li>• Comfort for the rider.</li> </ul>
Built-In Maxi Grip Area	Creates maximum grip and feel in the contact area of the rider's lower leg.	<ul style="list-style-type: none"> <li>• Assists in accurate leg placement and executing control.</li> </ul>
WINTEC FEATURES	BENEFITS	ADVANTAGES
CAIR Panel System	Revolutionary new air panel system that evenly distributes weight across the entire length of the panel, virtually eliminating pressure points. CAIR air panels fluidly adjust with the horse's muscle movement.	<ul style="list-style-type: none"> <li>• Better performance &amp; freer movement for the horse.</li> <li>• Provides shock and impact absorption.</li> </ul>
Easy Change Gullet System	Allows on-the-spot adjusting of the saddle to fit correctly over the horse's wither. Allows the saddle to be fitted to suit the horse's changing shape.	<ul style="list-style-type: none"> <li>• Saddle can be custom fit within minutes.</li> <li>• Horse stays comfortable.</li> </ul>
Wintec Tree	Designed to be rigid in the head to maintain clearance of the horses wither, whilst also possessing lateral flex to work with the horse's muscular movement.	<ul style="list-style-type: none"> <li>• Provides a comfortable and healthy fit for the horse.</li> </ul>
Lifetime Guarantee on Wintec Tree	Wintec Trees are guaranteed for the lifetime of the saddle.	<ul style="list-style-type: none"> <li>• Assurance of quality.</li> </ul>
