EXCLUSIVE FEATURES	BENEFITS	ADVANTAGES
Cloth Seat Insert and Panel	For those riders who prefer the feel and grip of a cloth seat in preference to equileather or equisuede.	• Comfort for the rider.
Light Weight	Easy to carry and is light for the horse.	• Comfort for the horse.
Shock Absorbing	Synthetic materials act as a foam cushion and shock absorber.	• Comfort for the rider.
Changeable Gullet System	Allows you to adjust the fit of your saddle over your horse's wither. Gullet can be accessed by a qualified saddler or saddle repairer.	• The saddle can be custom fitted.
Easy Care	Clean the saddle quickly with soap and water.	• Saves you time and hassle.
Weatherproof	Cloth and Equileather dry out quickly and can be ridden in conditions which would otherwise damage a leather saddle.	• Versatile and durable.
Great Position, Super Price	Helps to position a new or young rider in the correct position from day one. Doesn't require a large initial outlay to enter the sport.	• Affordable and comfortable.
Wide Bearing Cloth Panel	Comfortable panel fits snugly to the horse ensuring the rider's weight is evenly distributed across the horse's back.	• Greater comfort for the horse.

WINTEC FEATURES	BENEFITS	ADVANTAGES
Traditional Flock Filled Panels	Designed to pack down and take the shape of the horse's back. The fit of the panel can be restuffed or altered in shape throughout the life of the saddle.	• Provides greater comfort for the horse.
Wintec Tree	Designed to be rigid in the head to maintain clearance of the horses wither, whilst also possessing lateral flex to work with the horse's muscular movement.	• Provides a comfortable and healthy fit for the horse.
Flexible Tree Points	Extend the bearing area of the tree over the horse's shoulder and provide a gradual transition of pressure.	• Allows the horse free shoulder movement and improves comfort.
Lifetime Guarantee on Wintec Tree	Wintec Trees are guaranteed for the lifetime of the saddle.	• Assurance of quality.
