

WINTEC

Isabell

Developed in consultation with World Dressage Champion, Isabell Werth to support both horse and rider as a team. The difference the Isabell saddle makes to the rider is quite profound as radical features take the effort out of sitting in the correct position.

Average weight 5.59kg (12lbs 5oz)			
BLACK			

EXCLUSIVE FEATURES	BENEFITS	ADVANTAGES
Performance Driven Tree and Seat Shape	Extra deep seat with a very low, thin waist which positions the rider on their seat bones and very close to the horse.	• Rider has greater control of their horse.
Super-Enduro Seat Foam	Super enduro seat foam retains its resilience and won't ride down, flatten or harden like some other seat foams or light weight gels.	• Comfort for the rider.
Soft Sorbttec Knee Inserts	Sorbtec slow release foam moulds to the riders knee shape and holds its position rather than springing back instantly.	• Stabilises the rider's knee.
Newly Positioned Stirrup Bars	Positioned up to 5cm (2") further back than the standard bar to effortlessly balance the rider in ear shoulder, hip and heel alignment.	• Forces the rider to ride with a straight longer leg.
Adjustable Flexibloc System	Enables the rider to individually tailor their thigh and knee support. Comes inclusive with small and large dressage flexiblocs.	• Provides a more secure position for the rider.
Adjustable Y Girthing System	Y-Girthing system secures the front and back of the saddle.	• Helps prevent movement in the saddle.
Surcingle	Holds the flaps of the saddle securely in place and locks them firmly around the horse.	• Reduced flap movement creates better feeling.
Perfect Level of Grip	Equisuede is one of the only materials that does not get slippery when wet and is very grippy.	• Helps maintain desired riding position.
Shock Absorbing	Equisuede combined with other synthetic materials acts as a shock absorber protecting both horse and rider.	• Better for the rider and the horse's back.
Weatherproof	Synthetic materials are not damaged by wet weather and dry out quickly.	• Can ride in all weather conditions.

WINTEC FEATURES	BENEFITS	ADVANTAGES
CAIR Panel System	Revolutionary new air panel system that evenly distributes weight across the entire length of the panel, virtually eliminating pressure points. CAIR air panels fluidly adjust with the horse's muscle movement.	• Better performance & freer movement for the horse. • Provides shock and impact absorption.
Easy Change Gullet System	Allows on-the-spot adjusting of the saddle to fit correctly over the horse's wither. Allows the saddle to be fitted to suit the horse's changing shape.	• Saddle can be custom fit within minutes. • Horse stays comfortable.
Wintec Tree	Designed to be rigid in the head to maintain clearance of the horses wither, whilst also possessing lateral flex to work with the horse's muscular movement.	• Provides a comfortable and healthy fit for the horse.
Lifetime Guarantee on Wintec Tree	Wintec Trees are guaranteed for the lifetime of the saddle.	• Assurance of quality.
