44cm /17.5"
Average weight 5.93 kg (13lbs 1oz)
BLACK

EXCLUSIVE FEATURES	BENEFITS	ADVANTAGES
Comfortable Seat	Enables the rider to have enough room to change position during long rides, alleviating pressure points for both the horse and rider.	• Provides comfort for both horse and rider.
Soft Suede Knee Insert	Creates extra grip and comfort.	• Rider feels more secure in the saddle.
Extended Tree	Extended bars on the end of the tree support the rider's weight over a much larger area of the horse.	• Prevents damage to the horse's back on long rides.
Open Chamber	An extra wide chamber provides clearance along the length and across the width of the horse's spine.	• Greater comfort for your horse.
Adjustable Flexibloc System	Enables the rider to individually tailor their thigh and knee support.	• Provides a more secure position for the rider.
Contour Flaps	Flaps are moulded into a ridden-in shape for immediate contoured fit.	• No breaking-in required.
Adjustable Y Girthing System	Y-Girthing system secures the front and back of the saddle. Position of the Y-girth points can be adjusted to individually suit the horse's shape.	• Helps to prevent movement in the saddle when riding.
Equisuede Seat	Microfibre based, equisuede is extremely comfortable, softer than leather and does not get slippery when wet.	• Superior comfort and safety.
Shock Absorbing	Equisuede combined with other synthetic materials acts as a shock absorber protecting both horse and rider.	• Better for the rider and the horse's back.
Weatherproof	Synthetic materials used are not damaged by wet weather and dry out quickly.	• Can ride in all weather conditions.
Light Weight	Easy to handle and light for the horse over long distances.	• Comfort for the horse.

WINTEC FEATURES	BENEFITS	ADVANTAGES
CAIR Panel System	Revolutionary new air panel system that evenly distributes weight across the entire length of the panel, virtually eliminating pressure points. CAIR air panels fluidly adjust with the horse's muscle movement.	• Better performance & freer movement for the horse. • Provides shock and impact absorption.
Easy Change Gullet System	Allows on-the-spot adjusting of the saddle to fit correctly over the horse's wither. Allows the saddle to be fitted to suit the horse's changing shape.	• Saddle can be custom fit within minutes. • Horse stays comfortable.
Wintec Tree	Designed to be rigid in the head to maintain clearance of the horse's wither, whilst also possessing lateral flex to work with the horse's muscular movement.	• Provides a comfortable and healthy fit for the horse.
Lifetime Guarantee on Wintec Tree	Wintec Trees are guaranteed for the lifetime of the saddle.	• Assurance of quality.
