EXCLUSIVE FEATURES	BENEFITS	ADVANTAGES
Adjustable Flexibloc System	Enables the rider to individually tailor their thigh and knee support.	<ul style="list-style-type: none"> Provides a more secure position for the rider
CAIR® Panel System	Saddle panel is thinner than traditionally stuffed panels	<ul style="list-style-type: none"> Rider is closer to horse resulting in more effective communication of seat aids
Girthing System	Short, triple girth points are fitted for easy adjustment.	<ul style="list-style-type: none"> Use a range of different girths.
Well Balanced Seat & Narrow Waist	French style seat with wider seating area, and narrow waist for closer contact through the leg.	<ul style="list-style-type: none"> Increased rider comfort without compromising performance.
Easy Care	Horse hair and dirt simply wipe off. Equileather requires little maintenance making the Wintec 500 the easiest saddle on the market to clean.	<ul style="list-style-type: none"> Saves time and hassle.
Durability	Equileather is extremely hardy and abrasion resistant making it ideal for heavy use in conditions which would otherwise damage a leather saddle.	<ul style="list-style-type: none"> Saddle stays looking good longer.
Weatherproof	Equileather repels water and sweat. It has a high UV resistance increasing its durability in warm climates.	<ul style="list-style-type: none"> Ride in all weather conditions
Traditional Leather Appearance	Equileather has a low sheen look equal to the best grades of leather.	<ul style="list-style-type: none"> Looks great on the horse. Same grip as leather.

WINTEC FEATURES	BENEFITS	ADVANTAGES
CAIR® Panel System	Revolutionary new air panel system that evenly distributes weight across the entire length of the panel, virtually eliminating pressure points. Air panels fluidly adjust with the horse's muscle movement.	<ul style="list-style-type: none"> Better performance & freer movement for the horse. Provides shock and impact absorption.
EASY-CHANGE Gullet System	Allows on-the-spot adjusting of the saddle to fit correctly over the horse's wither. Allows the saddle to be fitted to suit the horse's changing shape.	<ul style="list-style-type: none"> Saddle can be custom fit within minutes. Horse stays comfortable.
Wintec Tree	Designed to be rigid in the head to maintain clearance of the horse's wither, whilst also possessing lateral flex to work with the horse's muscular movement.	<ul style="list-style-type: none"> Provides a comfortable and healthy fit for the horse.
Lifetime Guarantee on Wintec Tree	Wintec Trees are guaranteed for the lifetime of the saddle.	<ul style="list-style-type: none"> Assurance of quality.
